

ENTER THE CO-OP COMES TO YOU CONTEST

Oakdale Electric Cooperative canceled their always well-attended Member Appreciation Day, previously scheduled for Saturday, October 17, due to the ongoing coronavirus pandemic. "It'll be a change to not have the co-op filled with members enjoying pancakes together, learning about programs and services available, or creating a craft keepsake. However, the health and safety of our members and employees takes precedence," stated event organizer, Deana Protz.

October is Cooperative Month, that hasn't changed, and it's always a reason to celebrate the **power of the cooperative difference!** This year, instead of members coming to the co-op, the co-op will come to 50 members with a gift basket of items, representative of the event, and purchased from local community members.

Ten members will be drawn daily, from all entries received, for a total of five days from Monday, October 12 to Friday, October 16. Daily winners will be posted on the cooperative's Facebook, Instagram, and Twitter accounts. To ensure member's safety, gift baskets will be delivered to each member's residence by a cooperative representative.

EMPOWERING OUR COMMUNITIES

Operation Round Up has now awarded over \$85,000 back into local communities since 2002.

Operation Round Up is just what its name implies. Oakdale Electric Cooperative rounds up the electric bills to the next highest dollar of participating members each month. The money contributed goes into a trust fund for a variety of worthy causes throughout our service area. The Operation Round Up Board of Directors comprises seven Oakdale Electric Cooperative members including Bonnie Anderson, Al Bernhardt, Pat Christensen, Sandy Chroninger, Lillian Jorgensen, Sue Rezin, and Colleen Woggon. They meet at least four times a year to review applications.
